## Report of Principal and School Improvement Council

Welcome to James Island Middle School (JIMS). James Island, a small community located in Charleston, SC, near Folly Beach, is a unique place to both live and raise a family. At JIMS, we are committed to student academics as well as educating the “whole child.” Our mission is to create and maintain a school where the staff and community work closely together to support and nurture children, and where education is of primary importance to all. Our school promotes a safe, orderly, caring and supportive environment through the use of a positive behavior support system known as PBIS. We have been recognized for our commitment to the PBIS model by being awarded the “Banner Award” by the state. We have also been recognized for having a welcoming environment by being awarded the “Red Carpet Award” by the state as well.

Our community has always played an important part in the success of the school and our students as evidenced by our involvement with the Hope for James Island project, a program that brings community volunteers and leaders into our school as tutors, mentors, and guest speakers. JIMS features outstanding academics and fine arts programs. Our strings program had many students score Superior and Excellent ratings at Solo and Ensemble program as did our band. Our band earned an excellent rating at Concert Festival this past year. Academically, we accommodate the learning styles and levels of all of our students through our honors, grade-level, and remediation programs as well as our use of differentiated instruction and the use of literary text across the curriculum. In addition, we offer four high school credit classes to our seventh and eighth grade students. These courses help to prepare our students for entrance into the International Baccalaureate Program at James Island Charter High School.

We believe it is critical that all students have the opportunity to participate in a variety of fine arts programs and extracurricular activities. Our students are able to enroll in Art, Band, Spanish, Strings, Computer Applications, Keyboarding, and Physical Education. In addition, students can participate in student government, clubs, sports, and service learning projects. The opportunity to perform, work cooperatively, and travel together allows our students to gain self-confidence and lifelong skills for success. A rigorous academic curriculum, a vigorous fine arts program, and extracurricular activities encourage our students to pursue their individual strengths.

We educate our students to become confident, competent, responsible citizens through diverse learning experiences in a positive and structure environment.

Inez Brown Crouch, SIC Chair

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>86.5</b>
<b>Overall Grade Conversion</b>	<b>B</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

James Island Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
